Technical Lead

POLL!

Agenda

- What we're doing
- Where we're at
- What you will be able to do
- Final Notes

What Are We Doing?

- Making a sequel to last year's game!
  - If you haven't yet, you can check it out on our website:
    https://wicys.github.io/eoh_game.html
- "Cybersecurity Lunch Adventure"
- Filled with minigame-like, beginner-friendly security puzzles with an awesome storyline!

What's Our game Storyline?

- User is a private investigator
- Alma (as in Alma Mater) is a senior investigator
- Investigating a case of fraud involving a series of restaurants on Green Street
- Goal: Find evidence to prove that the owner(s) of these restaurants are involved in fraudulent activities!

What Puzzles Do We Have?

- Social Engineering: Phishing Email
- SQL Intro
- SQL Injection
- Network-based: Firewalls
- OSINT (Open-Source Intelligence)
  - Searching the web for data
    - ex) Social Media platforms, deleted messages, etc
    - Your entire digital footprint

What Are Some Additional Features/Resources We Have?

- Advice from Alma!
    - [SQL Intro Puzzle](#)
- Guides!
    - [phishing email guide](#)
- Hints!
- Useful Links!

What <u>YOU</u> Will Be Able To Do!

- Plan beginner-friendly puzzles
- Learn various security topics
- Learn how to program in HTML/JS (and possibly how to use a game engine…)
- Gain hands-on experience through security puzzle implementations
- Work collaboratively with other members in WiCyS
- Contribute to a year-long project that will be presented to middle and high school students!

Tentative Timeline

- Next month: Plan puzzles
- Fall semester: Program puzzles
- Spring semester:
    - Plan additional puzzles
    - UI/UX
    - Work on artwork
    - Promote
- Finish everything by Spring break
- EOH 2022 is on April 8-9, 2022!

Final Notes

- If you're interested in being an active member of the EOH tech team, please fill out our application!
  - Deadline: Today (9/11) @11:59PM
- Make sure to turn notifications on for the #EOH channel in Discord to stay updated on anything EOH-related!
- Next EOH Meeting: 9/18 @2pm-3pm

Questions?
